I don't know if it matters but you saved it as July 28<sup>th</sup>, 2016 (7-28-16)...not the correct date.

The only things I saw, I put in red. The things I underlined (and put in red) don't need to be capitalized because they are not proper nouns. And, in the first paragraph there are two things that I added a letter to make it past tense or plural.

Reading that...makes me nervous about your job. Glad I don't do what you do.

Hi Amanda! I hope all is going well. I have a quick question for you. Do you have a contact name and number of someone in the police department that I can talk to regarding drugs in the community? I have the name of an adult that is possibly one of the xanax suppliers.

Thank you!

Good Evening...

Just a heads-up...you'll be hearing from a parent Kristy Parks concerning with the behavior of middle school students afterschool at the Island Rec. From my understanding; several 8th grade boys beat-up another boy off of the Rec Center property on the trail heading to Allen Wood this afternoon. We are checking our cameras.

We've hired person from Coastal Security who starts at 3:30...if the SRO could stop by after the middle school is out it would really help.

Below is a similar e-mail I wrote last year.

Thanks Frank

Good Morning...

Last week was a rough one with the middle school students between 2:30 and 3:30 at the Rec Center. We had one student through a water bottle at our staff member at the pool, another pick-up outside ball storage box and broke it and then kicked the balls all over the Rec Center.

We provided a video of the student throwing the water bottle to the SRO today.

I'm at a loss on what to do with this group of students; there is such a lack of respect for the staff at the Rec Center and the Center facilities.

We need to work together to solve this issue.

Thanks Frank

Good Morning...

I want to provide you with a heads-up. We've contacted the sheriff's dept. about the increasing odor of pot over the last 30 days in the ladies locker room at the Rec Center. The odor seems to take place in the morning 7 am to 7:30 am and in the afternoon 2:30 to 3:30 pm. The cameras are down at the Center...we've contacted the Town to fix.

Thanks Frank
