Ms. Angst-

In accordance with S.C. Code Ann. 30-4-30(B), the BCSD estimates creating the report to respond to your request will require 3 hours, for an estimated cost of \$129.39. Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request. Please make all checks out to the Beaufort County School District and send to my attention.

Public Records Requested (Description) Please consider this a request under the South Carolina Freedom for Information Act.

of Documents or

Information Requested): This request includes the following records:
The total number of excused and unexcused absences at each elementary, middle and high school in the Beaufort County School District during the 2017-18 school year. Since I understand that absences in the high schools and middle schools are counted by period, I would like to receive a breakdown of those absences per period. Last year, you provided my former colleague, Kelly Meyerhofer, with this data for the 2016-17 school year. I am asking to receive the same data sets you sent her, but for the 2017-18 school year.

As a member of the news media seeking this information in the public interest, I respectfully request fees be waved, per statute. If charges are necessary for this request, please provide me with a detailed breakdown of the anticipated charges before fulfilling the request.

Thank you,
Maggie Angst
