

Dear Beaufort County School District Families,

In order to learn more about student experiences at school, we will be asking for your child's feedback via an online survey, Panorama, that they will be completing at school during the week of April 3-6, 2023. The survey shouldn't take more than 20-30 minutes to complete.

We are asking that all of our students in grades 3-12 participate in the survey as their feedback will provide insight into their experiences. If a student doesn't feel like they have enough information to answer a question, they will be able to skip the item altogether. We are partnering with a State Department of Education approved third-party vendor, Panorama, to support us in administering these surveys. The responses to these surveys will be confidential.

The survey content will ask students to self-reflect on self-efficacy, self-management, social awareness, teacher-student relationships and sense of belonging. Students in grades 3-12, will also have survey content on sense of belonging, teacher-student relationships, school climate and school safety. As a parent, you are welcome to review the Panorama survey questions on our district website at www.beaufortschools.net/families/parent-portal/parent-notice/panorama-survey.

Please notify your child(ren)'s principal if you would like your child(ren) to opt out of taking the survey by completing the below form and returning it to the school by March 31, 2023. If you have any questions about the administration of the survey, please contact your child(ren)'s principal.
