Subject: FOIA #14: CATE survey

February 20, 2018

Jennifer Staton
Beaufort County School District
2900 Mink Point Boulevard
Beaufort, South Carolina 29902

Ms. Staton:

Pursuant to South Carolina's Freedom of Information Act, I am making a public records request for a copy of the Career and Technical Education (CATE) survey questions and responses and any summary reports stemming from the survey. The survey was referenced at the February 20, 2018 Board of Education meeting.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes, so I ask you to waive any and all fees.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request be filled electronically, by e-mail attachment if available or jump drive if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days, as the statute requires.
