Ms. Zuk,

Thank you for your request for public records pursuant to the South Carolina Freedom of Information Act. The BCSD is unable to ascertain the records you seek, as it does not possess "FBI files" and, as such, the BCSD does not believe it is in possession, custody, and control or any responsive public records. Should you desire to amend your response and/or provide specific public records which you request, the BCSD will again respond accordingly.
