Ms. Suckow-

The scope of your request is unduly burdensome, overly broad and otherwise improper. Please narrow your request to be more specific to include specific information about each record sought, such as the date or date range, title or name, school, author, recipients, and subject matter of the records and resubmit your request.

Also, please note the majority, if not all, of the information you have requested is excluded from release under FOIA per The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99). Once you have refined and resubmitted your request, the BCSD will then be able to develop a quote to perform the work.
