Good morning, Mr. Castagnino:

It's come to our attention that some of the embedded links to documents in the 020522 FOIA Request pdf that we sent you yesterday (first document attached: "020522 FOIA Request with attachmts") are not working properly. As such, I am attaching the two documents in this email ("ESSER Update 071321" and "2022 January ESSER Update" ) that were linked in responses 2,4, 9 and 11 to ensure you can access the information.

Here are the URLs that linked to the attached documents:

(addresses 2<sup>nd</sup> and 4<sup>th</sup> response)

(addresses 9<sup>th</sup> and 11<sup>th</sup> responses)

Also, here's the other links to our district website which may be easier to access when not embedded in the pdf as well:

Please let me know if you have any issues accessing this information.

Candace
